

## Concession Stand Acknowledgement

This organization is run by many volunteers who give up their time to help our children have a fun, safe and educational experience. From board members, to coaches, to the team moms we will work together to make this experience for your child an exceptional one.

However, we need all parents to help volunteer also. In the past we have asked parents to help by working a shift in the concession stand during the season. While many of us have fulfilled our commitments, some parents do not feel the need to do their share of the help.

**A check for \$100 will be required to assure that each parent will show up to work their scheduled shift in the concession stand.** This check will not be cashed unless you fail to show up for your shift. Once your shift is fulfilled, your check will be returned to you. If for some reason you are unable to work your scheduled shift, prior arrangements must be made to switch. The Director of Concessions will be able to assist you with any questions you may have.

Please check below which option you chose, sign and date.

- Please hold my check for me until I have fulfilled my obligations in the concession stand this season.**
- Please cash my check. I will be unable to fulfill my shift in the concession stand this season and would like to donate my \$100 to the organization.**
